About our cover artist: Jeanne Newton Schoborg is an award winning equine artist. Her horse portraits hang in several countries throughout the world including Australia, the Netherlands, and Canada. Her unique style and ability to render all breeds of horse in their natural environment or the show ring is highly recognizable and has made her one of the nation's most sought after equine artists. CLASSIC ENTRIES WILL NOT BE ACCEPTED AFTER DIVISION STARTS:

The intent of this class is to provide the Intermediate rider who competes in the 2'6" hunter, jumper, equitation and pony hunter divisions with the same derby riding experience as those offered at the international and national levels. We define the Intermediate rider as one who competes in the Intermediate Children's/Adult Hunter and Equitation Division(s), the Intermediate Jumper Division or the Small, Medium and Large Pony Hunter Division. This rider cannot compete this show season in a Division or Class with a fence height which is higher than 2'6" with the exception of large ponies. Professionals are not allowed to participate. Course to be set on the 12' stride. No in and outs. Two round format with the first round to be typical hunter classic course and the top 12 will compete for a second round to include "handy" type questions.

3'0 & 3'5" CVF HUNTER DERBY

Class specifications & Eligibility

Two round format the judge will utilize the open numerical system to score competitors in the Classic Hunter Round (first round) on performance, hunter pace, jumping style, quality and substance and movement. In addition, the base score in the Handy Hunter Round (second round) reflects brilliance of pace and handiness. In each round, after the judges' base score is given, one point will be added for each high-option fence jumped up to a maximum of four. Obstacles are reminiscent of the hunt field and must offer a variety of appearances, such as natural post and rail, stone wall, white board fence or gate, coop, aiken, hedge, oxe, brush, logs and natural foliage. Natural obstacles such as banks and ditches are allowed. The Handy Hunter Round should simulate riding over hunt country and incorporate options such as tight turns, clever options for jump approaches, hand galloping and trotting a fence. Fences are set at 3', with four high-option fences added at 3'5". The 12 highest-scoring horse-and-rider combinations after the first round are eligible to return for the second round. The pair with the highest two-round score is declared the class winner. The top eight horse-and-rider combinations are expected to ride for ribbons and prize money. Top 25 with points in the derby will be eligible for the finals.
