### **FEDERATION ENTRY AGREEMENT**

By entering a Federation-licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of The United States Equestrian Federation, Inc. (the "Federation") and the local rules of (Competition). I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the Competition may use or assign photographs, videos, audios, cable - casts, broadcasts, internet, film, new media or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See GR908.4.

Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

## IMPORTANT NOTICES:

**Concerning splitting/combining and add/scratching policies** in all "A" Rated hunter sections – should entries warrant, all "A" Rated hunter sections will be split or combined following USEF rules and will be done so **at the close of the horse show office on the evening preceding the first class in each section**, therefore entries must be completed for the "A" Rated hunter divisions accordingly to be considered. Any post adds received and accepted after this time will not be considered in respect to the splitting/combining numbers. **There will be no exceptions to this policy. Same day scratches and/or no shows at the gate** in all "A" Rated hunter sections **will forfeit their entry fee** unless the official show veterinarian supplies a certificate warranting a scratch from the show. This certificate must be received by the official show secretary prior to the section in question. Should same day scratches and/or no shows resulting in insufficient entries to keep sections split, sections will be combined.

## CLASSIC ENTRIES WILL NOT BE ACCEPTED AFTER DIVISION STARTS:

Classic entries must be done separately from their division, and must be received by the official show secretary before the start of the division. i.e. when a division is entered, the exhibitor is **NOT** automatically entered in the Classic unless that specification is made on the entry form.

In addition, the base score in the Handy Hunter Round (second round) reflects brilliance of pace and handiness. In each round, after the judges' base score is given, one point will be added for reach high-option fence jumped up to a maximum of four. Obstacles are reminiscent of the hunt field and must offer a variety of appearances, such as natural post and rail, stone wall, white board fence or gate, coop, aiken, hedge, oxer, brush, logs and natural foliage.
