IMPORTANT NOTICES:

Concerning splitting/combining and add/scratching policies in all "A" Rated hunter sections – should entries warrant, all "A" Rated hunter sections will be split or combined following USEF rules and will be done so at the close of the horse show office on the evening preceding the first class in each section, therefore entries must be completed for the "A" Rated hunter divisions accordingly to be considered. Any post adds received and accepted after this time will not be considered in respect to the splitting/combining numbers. There will be no exceptions to this policy. Same day scratches and/or no shows at the gate in all "A" Rated hunter sections will forfeit their entry fee unless the official show veterinarian supplies a certificate warranting a scratch from the show. This certificate must be received by the official show secretary prior to the section in question. Should same day scratches and/or no shows resulting in insufficient entries to keep sections split, sections will be combined.

CLASSIC ENTRIES WILL NOT BE ACCEPTED AFTER DIVISION STARTS:

Classic entries must be done separately from their division, and must be received by the official show secretary before the start of the division. i.e. when a division is entered, the exhibitor is NOT automatically entered in the Classic unless that specification is made on the entry form.
